Meetings be conducted through use of an Internet meeting service designated by the Chair, with the advice and consent of the MEIC, that support anonymous voting and support visible displays identifying those participating, identifying those seeking recognition to speak, showing (or permitting the retrieval of) the text of pending motions, and showing the results of votes. These electronic meetings shall be subject to all rules adopted by the MEIC to govern them, which may include any reasonable limitations on, and requirements for participation by Members. Any such rules adopted by the MEIC shall supersede any conflicting rules in the parliamentary authority, but may not otherwise conflict with or alter any rule or decision of the MEIC. An anonymous vote conducted through the designated Internet meeting service shall be deemed a ballot vote, fulfilling any requirement in the bylaws or rules that a vote be conducted by ballot.

1. **Login information.** The Secretary shall send by email to every Member, at least 5 days before each meeting, the time of the meeting, the URL and codes necessary to connect to the Internet meeting service, and, as an alternative and backup to the audio connection included within the Internet service, the phone number and access code(s) the Member needs to participate aurally by telephone. The Secretary shall also include a copy of, or a link to, these rules.
2. **Login time.** The Secretary shall schedule Internet meeting service availability to begin at least 15 minutes before the start of each meeting.

Such a demand may be made following any vote for which the announced totals add to less than quorum.
5. **Technical requirements and malfunctions.** Each Member is responsible for his or her audio and Internet connections, no action shall be invalidated on the grounds that the loss of, or poor quality of, a Member's individual connection prevented participation in the meeting.
6. **Forced disconnections.** The chair may cause or direct the disconnection or muting of a Member's connection if it is causing undue interference with the meeting. The chair's decision to do so, which is subject to an undebatable appeal that can be made by any Member, shall be announced during the meeting and recorded in the minutes.
7. **Assignment of the floor.** To seek recognition by the chair, a Member shall use the Zoom Reaction menu to Raise Their Hand (or similar for other qualified Internet meeting service). Upon assigning the floor to a Member, the chair shall clear the online queue of Members who had been seeking recognition. To claim preference in recognition, another Member who had been seeking recognition may promptly seek recognition again, and the chair shall recognize the Member for the limited purpose of determining whether that Member is entitled to preference in recognition.
8. **Interrupting a member.** A Member who intends to make a motion or request that under the rules may interrupt a speaker shall use Raise Their Hand feature for so indicating, and shall thereafter wait a reasonable time for the chair's instructions before attempting to interrupt the speaker by voice.
9. **Motions submitted in writing.** A Member intending to make a main motion, to offer an amendment, or to propose instructions to a committee, shall, before or after being recognized, post the motion in writing to the online Chat Area in Zoom (or similar for other Internet meeting service), preceded by the member's name and a number corresponding to how many written motions the Member has so far posted during the meeting (e.g., "SMITH 3:."; "FRANCES JONES 2:"). Use of the Chat Area for this purpose shall be restricted to posting the text of intended motions.
10. **Display of motions.** The Secretary shall use the Chat Area to display the immediately pending question and other relevant pending questions (such as the main motion, or the pertinent part of the main motion, when an amendment to it is immediately pending); and, to the extent feasible, the Secretary, or any assistants appointed by him or her for this purpose, shall cause such questions, or any other documents that are currently before the meeting for action or information, to be displayed therein until disposed of.
11. **Voting.** Votes shall be taken by the anonymous voting feature of the Internet meeting service, unless a different method is ordered by the Board or required by the rules. When required or ordered, other permissible methods of voting are by electronic roll call or by

audible roll call. The chair's announcement of the voting result shall include the number of Members voting on each side of the question and the number, if any, who explicitly respond to acknowledge their presence without casting a vote. Business may also be conducted by unanimous consent.

12. **Video display.** The chair, the Secretary, or their assistants shall cause a video of the chair to be displayed throughout the meeting, and shall also cause display of the video of the Member currently recognized to speak or report.
